Vegetable waste

Vegetable waste must be brought to the centre in via Ciusarella during opening hours (free of charge). The collection of green (organic) waste will be made on a weekly basis, on call and on payment providing the waste is in the correct containers and the adhesive label, which can be obtained from the Municipality's technical office, is attached.

Solid urban waste

From January 2025, for reasons of urban decorum, bulky waste will no longer be collected on the streets. This type of waste can be taken to the Ecocenter on via Ciusarella.

Please note that large quantities (e.g., in case of removals, demolition materials, lumber or other) cannot be dropped off.

Bulky waste

From January 2025, for reasons of urban decorum, there will no longer be street collections of bulky waste. This type of waste can be taken to the Ecocentro in Via Ciusarella. Circular economy

As of Jan. 1, 2025, Massagno will join the Ambassador initiative proposed by the Circular Lugano object library located at 77 Via San Gottardo in Massagno. The municipality will provide five free rentals per month for the benefit of the public (for a maximum of three days and for any available object), so as to encourage sharing and promote an increasingly sustainable lifestyle by reducing waste. More details on info-Massagno and on the municipality's website. Inventory and reservation of items online: www.circular-lugano.ch
