Ciusarella Recycling Centre

The Ciusarella Recycling Centre is exclusively for the use of Massagno residents and for household waste only. Private companies and large quantities (for example large amounts of organic, demolition and bulky waste) are prohibited.

Vegetable waste

Vegetable waste must be brought to the centre in via Ciusarella during opening hours (free of charge). The collection of green (organic) waste will be made on a weekly basis, upon request, subject to fee providing the waste is in the correct containers and the adhesive label, which can be obtained from the Municipality's technical office, is attached.

Solid urban waste

Solid urban waste (SUW) must be placed in official orange bags. Domestic waste is collected from the streets on Mondays and Thursdays (except public holidays). Apartment buildings with four or more units are required to provide their own containers.

Bags may be put out from 8 p.m. on the day before collection and no later than 7 a.m. on the day of collection.

Bulky waste

For reasons of urban decorum, bulky waste will no longer be collected from the streets. This type of waste can be taken to the Ecocentro in Via Ciusarella.

Large quantities of waste (e.g. in the case of removals, demolition materials, timber or other items) cannot be delivered to the Ecocentro. To dispose of such waste, you must request authorisation from the municipal technical office, indicating the quantities and types of waste.

New

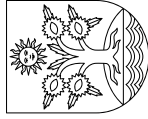

Ecocentro card

The Municipality has introduced a card that authorises access to the Ecocentro; there is one card per household. Detailed information is provided when the card is delivered, which is sent by post following notification to the Residents' Registration Office.

In addition to the card, you can use an electronic version that can be downloaded via the Junker app, which allows you to scan and save the QR code of the card within the app.

Circular economy

Once again in 2026, Massagno will participate in the Ambassador initiative launched by Circular Lugano, located at Via San Gottardo 77 in Massagno. The municipality is offering five free rentals per month to the public (for a maximum of three days and for any available item), in order to encourage sharing and promote an increasingly sustainable lifestyle by reducing waste.
